

Welcome to Six Streets Your Local Residents Community Group.

Who are we?

A vibrant, innovative and nurturing community group that enhances the lives of local residents.

Six Streets, open to all residents of six neighbouring streets in Derby, organises regular activities and events and brings local people together in order to develop neighbourliness, a sense of shared community and reduce isolation.

There are no fees to pay-we fundraise to reduce the cost of our events.

Six Streets aims to build a spirit of community by enabling residents.

What is Six Streets?

Six Streets is a not-for-profit, non-political and non-religious community group.

Started in Wheeldon Avenue in September 2007 the group has now extended to cover Bromley Street, Park Grove, Parkfields Drive, Statham Street and White Street - plus some houses on Kedleston Road to link them – and so the name changed to Six Streets Group.

- The expansion has led to more people, having more ideas and now a website!
www.sixstreetsderby.org.uk
- Now you've moved into the Six Streets area, please use the website, it is secure and FREE!
- Want to know what is happening? Click on the calendar - leave a comment! Have a brilliant idea? Start a discussion. Check out Links to StreetBank and other websites.

If you'd like to chat about the residents group and the activities offered
